"Winter Series" race 4 Sunday 29th of June: Nagambie Lake and Goulburn River.

This Marathon racecourse will be over an eight k course. Paddlers will start at the rowing club then travel about one k before venturing onto the Goulburn River. Once this is done you will travel west approx three k along the river before returning to the finish line at the rowing club.

If you are a newbie we will have special uncrowded starts for you.

Obviously if your ranking dictates otherwise, you will do extra laps.

You can bring any type of craft we will have a course to suit. Just tell registration what you are paddling.

This is really a great venue. The course has been set to use only a safe part of the Lake, The river itself doesn't usually pose a lot of problems.

A few of us are traveling to the venue on the Saturday in time to visit one of the many wineries in the area. Or an early morning paddle or if you bring your bikes we can ride both Saturday and after the race on Sunday..

Saturday night we will dine out at a local pub or restaurant.

So come and join us. The caravan park is only within walking distance of the venue. The park is a Jayco park the cabins are all just a couple of years old. Might be a bit expensive. I have stayed at one of the pubs in town- they are cheaper with great inexpensive meals and great fires.

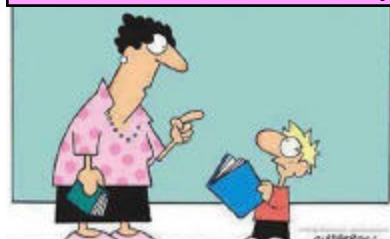

Neil Tattersall has sussed out a backpacker place (It used to be the rowing club) Not sure what this one is like. Have stayed in these overseas and they have been excellent. So at this late stage your accommodation will be up to you. Ed

Newsletter: The large version of the clubs newsletter will be ready by the end of June.

Hoping for some great photos. Will ring ever reliable Steve Vegh and Louise Lansdown they will have some. Ed

If you have any photos, stories, jokes etc please send them to me. Post haste.
